Senior & New Graduate Opportunities

AvantiCare

**Looking for a dynamic new Role? AvantiCare are currently seeking Occupational Therapists to join our passionate and innovative multi-disciplinary Allied Health Team.**

**Full Time | Part Time | Casual roles available**

**Community Care and/or Clinical opportunities available.**

AvantiCare is a leading allied health service provider that focuses on 'positive ageing' and nurturing holistic lifestyle well-being. Driven by authenticity and integrity, AvantiCare delivers modern solutions for the adult community - in the home, in residential centres, with NDIS and in a clinical setting.

We are searching for an Occupational Therapist to support our clients in the home as well as assisting in our brand new Wellbeing Hub clinical rooms and rehabilitative gym. Ideally the right candidate will be looking to develop and grow into the role, and is currently, or displays potential to advance into a team leader position.

Focusing on the complex movement needs of older adults, your key responsibilities will include:

- Delivering high quality Occupational Therapy services to clients in the home and/ or in the clinic/ Gym setting at our new Wellbeing Hub.
- Community based work with a strong focus on enhancing the independence of our clients.
- Liaise with families/care providers by providing ongoing support, counselling and education.
- Plan and carry out required services to clients following guidelines for assessment and treatment required.
- Maintain a close liaison with other community resources to ensure the ongoing care.
- Prepare reports as required.
- Educate carers and family members.
- Work to achieve and have a positive impact on all patients health.
- Falls prevention strength and training.
- Goal setting activities, as well as resolution planning.
- Educate carers and family members.
- Work to achieve a positive impact on all clients health and wellbeing goals.

What we need in our OT's:

- Relevant tertiary qualification and current registration with AHPRA.
- Strong emotional intelligence i.e. being caring, compassionate and patient.
- Current National Police Check.
- Full working rights.
- The ability to inspire and be part of our awesome team.

We offer flexible hours, competitive hourly rates, personal development allowance, training and research opportunities and a company culture that is geared toward prioritising positive outcomes for our staff, organisations and clients.
