Senior & New Graduate Opportunities

AvantiCare

If you would like to be a part of a team that is passionate about a holistic approach to health and wellbeing, we are currently seeking Podiatrists to join our multi-disciplined team.

Full Time | Part Time | Casual roles available

Community Care, Residential Care and/or Clinical opportunities available.

AvantiCare is a leading allied health service provider, committed to 'positive ageing' by nurturing an overall well-being lifestyle. We are dedicated to the transformation of an individual's health, driven by authenticity, integrity and empowerment. If you are a team player, we would love you to join us in delivering modern solutions to the adult community - in the home, residential care setting and at our new wellbeing HUB!

Focusing on the complex movement needs of older adults, your **key responsibilities** will include:

- Conducting comprehensive assessments.
- Providing ongoing interventions and reviews.
- Implementing robust management plans to ensure quality of life for recipients.

What we need in our podiatrist's:

- Relevant tertiary qualification and current AHPRA registration.
- Experience desirable with an adult case load.
- Or a new graduate ready to be mentored.
- Strong emotional intelligence essential.
- Current National Police Check.
- Flexibility to work across different sites.
- Full working rights.
- The ability to inspire and be part of our awesome team.

We offer flexible hours, competitive hourly rates, personal development allowance, training and research opportunities and a company experience that is geared toward positive outcomes for our staff, organisations and clients.

To apply please email admin@avanticare.com.au
We look forward to hearing from you.
