

Are you a passionate clinician driven to help people achieve wellbeing and create a meaningful impact in their lives? Would you like to use your skills in a unique, holistic and multidisciplinary approach to help people engage in activities that give purpose to their lives?

AvantiCare are currently seeking a Speech Pathologist to join our dynamic and innovative multi-disciplinary Allied Health Team.

This is a Part Time role available across Community Care, Residential Care and Clinical settings. This role includes senior duties (mentoring junior staff, students etc) and will evolve into a leadership role in the near future!

AvantiCare is a leading allied health service provider that focuses on Chronic Disease Management, Positive-Ageing and nurturing overall well-being. Driven by authenticity and integrity, AvantiCare delivers modern solutions for the adult community - in the home, in residential centres, with NDIS and in a clinical setting.

Focusing on the complex swallowing and communication needs of older adults and people with disabilities, your key responsibilities will include:

- Conducting comprehensive assessments;
- Providing ongoing interventions and reviews;
- Implementing robust treatment plans to ensure quality of life for residents.
- Providing clinical support to junior clinicians and new graduates
- Student supervision

What we need:

- Relevant tertiary qualification and current registration;
- Minimum 6 months of experience with an adult case load with proven ability with dysphagia management - *Highly desirable*
- Experience in working with communication, and swallowing with people in disability sector - *Highly desirable*
- Strong emotional intelligence ie. being caring, compassionate and patient;
- Current NDIS worker screening OR willingness to apply for screening
- Flexibility to work across different sites
- The ability to inspire and be part of our awesome team.

We offer flexible hours, competitive hourly rates, personal development allowance, training and research opportunities and a company culture that is geared toward prioritising positive outcomes for our staff, organisations and clients.

Don't miss this exciting opportunity to see what an award-winning, leading-edge organisation with an amazing culture looks like.

Please enquire to hear more about our unique holistic approach and feel the positive energy that ripples through our team, or email admin@avanticare.com.au to apply. We look forward to hearing from you!
